

1

License

For One Person

A single-user license allows one person to install and activate the software on up to two computers at a time.

One program = \$135
 Two different programs = \$233
 Three different programs = \$331
 Four different programs = \$429
 Five different programs = \$527
 All six programs = \$625

For One School Campus

A site license allows unlimited use at one school campus for three years. Renewals are based on over 25% off then-current prices.

One program = \$360
 Two different programs = \$620
 Three different programs = \$880
 Four different programs = \$1,140
 Five different programs = \$1,400
 All six programs = \$1,660
